

Partnership Media Release

Date: _____

Dear _____ at _____,

The Arizona Alternative Education Consortium (AZ AEC) is a grassroots organization committed to educating the students, parents, and families served by alternative education schools and programs including dropout prevention and recovery. We are dedicated to collaborating and sharing best practice information to encourage professional development, influencing public policy, and advocating for alternative education and the students we serve. We are proud to partner with your organization to help support our charters, schools, students and families.

We are asking permission to use your company's logo on our website to bring awareness to all stakeholders of the partnership we share. In order to do so, the AZ AEC needs your written consent.

Please indicate below that you give AZ AEC permission to use your company's logo.
